Te Anau the official top spot for holiday parks

Te Anau has enhanced its reputation as the best place to go for high quality holiday parks.

In the past twelve months 23 Holiday Parks nationwide have achieved the official Qualmark 5 star or 4 star plus gradings – and four of them are within a stone's throw of the centre of Te Anau township.

Qualmark's Holiday Park assessors visited Te Anau this month, confirming the 5 star grade of Te Anau Top 10 Mountain View Holiday Park and 4 star plus grade of the Fiordland Holiday Park.

Joining them among the Holiday Park elite are the Te Anau Lakeview Holiday Park which has been upgraded from 4 star to 4 star plus, and the new Te Anau Great Lakes Holiday Park which achieved a 4 star plus grade on its first assessment.

“There are great holiday parks right across the country, catering to all tastes and budgets,” says Qualmark chief executive, Fiona Luhrs. “But to have four parks in such close proximity, all offering recreational and camping facilities at these standards is unique in New Zealand.”
